March is national Women’s History Month. Our Chamber celebrates this by highlighting Chamber members who lead women-owned organizations. This year’s theme “Leading the Change: Women Shaping the Future,” celebrates the contributions of women who are leading sustainability efforts across the economic, environment, education, and community. The meeting will be held on March 19, 5-7 PM at Terra Nonno Winery in Deerfield Township.

Our panel of local women who lead non-for-profit organizations include Madeline Wolk of Soroptimist International of Cumberland County, Dr. Maria LeBlanc of Cumberland County Campus Educational Foundation, Meghan Spinelli of CompleteCare Health Network, and Dr. Evelyn Balogun, Chief Medical Officer, Inspira Health. Meghan McCormick Hoerner of The Bridgeton Beacon and Cumberland Mutual will moderate.

Join our celebration of Women’s History Month including food, wine, beverages, networking, and informative and inspiring presentations by our panel of outstanding women.

Register to attend and/or sponsor this meeting by March 16. The attendance fee is \$35 for Chamber members and \$40 for non-members. The \$5 discount for members will be applied at checkout as long as your name and email are associated with a current member of the Chamber.
